## SIDE-EVENT: MISOGYNISTIC HATE CRIMES

### 28th session of the CCPCJ

Tuesday, May 21, 2019, Vienna International Centre, (VIC) Press Room, 09:00 - 09:50

This side-event aims at the following:

- Discuss the alarming spread of misogynistic cultures and the relationship between misogyny and femicide;
- Explore how the public presentation and perception of women in media and advertising is currently contributing to misogyny;
- Identify the different ways in which hate towards women is presented and perpetuated in public and private spaces, through Internet, the working environment etc.;
- Consider the existing criminal justice responses against misogyny and debate on the criminalization of misogyny as a hate crime.
